**ADMINISTRATIVE ORDER
No. WD 03-006**

January 17, 2003

A. INTRODUCTION

This Administrative Order is issued by the Department of Environmental Services, Water Division, to Robert W. Griggs, Sr. pursuant to RSA 485:4 and RSA 485:58. This Administrative Order is effective upon issuance.

B. PARTIES

1. The Department of Environmental Services, Water Division ("DES"), is a duly constituted administrative agency of the State of New Hampshire, having its principal office at 6 Hazen Drive, Concord, NH 03301.
2. Robert W. Griggs, Sr. is an individual having a mailing address of PO Box 1019, Epsom, NH 03234 ("Robert Griggs").

C. STATEMENTS OF FACTS AND LAW

1. RSA 485 authorizes DES to regulate public water supplies. RSA 485:43 authorizes DES to adopt drinking water rules which require community water systems to annually notify their customers of the results of water quality tests. Pursuant to this authority, DES has adopted NH Admin. Rule Env-Ws 352.
2. Robert Griggs is the owner of a water system which serves approximately 23 mobile homes with an estimated population of 40 persons on Brewster Road in Barrington, New Hampshire ("Water System").
3. RSA 485:1-a, I and Env-Ws 302.02(i) define a community water system as "a public water system which serves at least 15 service connections used by year-round residents or regularly serves at least 25 year-round residents."
4. The Water System meets the definition of a community water system.

5. Env-Ws 352 requires all community water systems to prepare and deliver a Consumer Confidence Report ("CCR") to DES by July 1 of each year and to certify to DES by October 1 of each year that the requirements specified in Env-Ws 352 were met.
6. The Water System failed to produce and deliver the CCR to DES by July 1, 2002.
7. On August 20, 2002 a Letter of Deficiency ("LOD") was issued to the Water System. The LOD requested the Water System:
 1. By September 13, 2002, prepare and deliver to the water system's customers and DES the 2002 CCR containing calendar year 2001 drinking water information; and
 2. By October 1, 2002, submit to DES the 2002 CCR certification.
8. The LOD was received by the Water System as evidenced by the signed postal receipt.
9. To date, Mr. Griggs has not supplied the requested information and DES has no record of the requested response to the LOD.

D. DETERMINATION OF VIOLATIONS

1. The Water System has violated Env-Ws 352.03 by failing to prepare and deliver a 2002 CCR to DES by July 1, 2002.
2. The Water System has violated Env-Ws 352.03 by failing to certify the 2002 CCR to DES by October 1, 2002.

E. ORDER

Based on the above findings, DES hereby orders Robert Griggs as follows:

1. **Within 21 days of the date of this Order**, prepare and deliver the 2002 CCR containing calendar year 2001 drinking water information to Water System customers and DES in accordance with Env-Ws 352.
2. **Within 30 days of the date of this Order**, submit to DES the 2002 CCR certification.
